SEX ED ROLE PLAY? OK!

Many students will be forced to perform uncomfortable and inappropriate role play activities which normalize underage sex.

“Morgan and Terence met several months ago at a party. Morgan identifies as queer and is very active in the LGBTQ group at his school. Terence isn't sure whether he's straight or bisexual and has only dated girls. But both Morgan and Terence know they are attracted to each other. Plan a role-play in which Morgan talks to Terence about what's going on and they make a decision about whether to have sex.”
